Martin was a Helena  
fixture. I first met him  
@ the Irish Pub where  
he was a server. Then I'd  
see him @ the Blackfoot  
w/ Catan setup looking for  
gamers. He always provided  
me w/ Amazing wine advice.  
I will miss him + Rebecca Rid.

We will so miss Martin's  
Smiling face and the treat  
of being allowed to help  
put the chess pieces away when  
we showed up at the right  
time. He will be dearly missed.

I'm going to miss  
dear Martin - not  
just when I needed  
another bottle or a  
glimpse of Pisco or  
to check on how the  
chess game is going -  
but he was such a  
joyful person - !

I met Martin at a trivia  
night. His handel was @vark:  
& he was so lovely & fun.

Somehow an "old guy" sat dou  
at a table of 20 year olds &  
was the life of the party.

That was over a decade ago  
now. It was always a delight  
to see Martin and hear what  
he was getting up to. The  
travel van phase was fun &  
when the wine shop opened I  
knew he'd found the right fit.  
I'll miss you Martin

Martin was  
my "Quality

appreciation of them.

Mark & Janet - so nice to  
meet you and call you  
friends

I was & always will be  
Martin's banker. I will  
always adore him. -- He was  
the best part of my day  
when he came into my  
office with a story and  
a hug. He was one of the  
happiest memories of my  
now-grown son -- Summers  
on the walking Mall on the  
BIG Chessboard. He has  
blessed so many of us. <sup>Rosanne</sup> <sub>Allen</sub>

Martin was the  
nicest elf in all  
of MT. "Greetings +  
Salutations!" he'd say,  
with a wink + a smile.

Such a delightful

He will continue to  
inspire playful joy  
through memory.
